

PRAY

God of wind and flame,
send your Holy Spirit
to help us come
alive in you.
May our words
tell your grace.
May our actions
show your love.
You are God forever.
Amen.

LISTEN

After Jesus rose from the dead, he spent forty days telling his friends about how God was working to heal the world through him. He told them to wait together in Jerusalem, because God would send them the gift of the Holy Spirit.

They asked him, "Does this mean you are going to make everything better in the world?"

Jesus said, "Only God knows how and when that will happen. But now, I am sending you to share my life with everyone. I will send the Holy Spirit to help you, and one day I will see you again."

based on Acts 1:3-8
